

CRICKET MEMORABILIA

THE MIKE MARSHALL CRICKET COLLECTION

The following sixty seven lots were collected by the late Mike Marshall who was a cricket historian, collector and an active lifelong member of Essex County Cricket Club. Together with David Lemmon, Mike Marshall was the co-author of the official history of Essex CCC published in 1987. He worked closely with the late Peter Edwards, (former secretary of the club), towards the foundation of a museum at Chelmsford and would no doubt have been extremely proud of the fact that the club have now created 'The Peter Edwards Museum' at the County ground. A member of the MCC and the Forty Club, Mike Marshall cherished a days cricket at Lord's or Chelmsford almost as much as his beloved set of Wisdens.
