1. A buyer's premium of 19% (plus V.A.T. @ 20%) of the hammer price is payable by the buyers of all lots.
2. Cheques to be made payable to 'Knights Sporting Limited'.
3. Knights Sporting Ltd, Registered Office, The Thatched Gallery, The Green, Aldborough, Norwich, Norfolk. NR11 7AA
4. Postage and packing will be charged at current rates for all postal deliveries.
- 4a. Postage and packing is subject to V.A.T. at 20%.
5. The seller warrants to the Auctioneer and to the buyer that he is the true owner or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claim.
6. The highest bidder to be the buyer. If during the auction the Auctioneer considers that a dispute has arisen he has absolute authority to settle it or re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid, divide any lot, combine any two or more lots or withdraw any lot without prior notice.
7. The buyer shall pay the price at which a lot is knocked down by the Auctioneer to the buyer (the hammer price) together with a premium of 19% (plus V.A.T. @ 20%) of the hammer price, all of which are hereafter collectively referred to as 'the total sum due'. By making any bid the buyer acknowledges that his attention has been drawn to the fact that on the sale of any lot the Auctioneer will receive from the seller commission at its usual rates in addition to the said premium of 19% (plus V.A.T. @ 20%) and assents to the Auctioneer receiving the said commission.
8. The buyer shall forthwith upon the purchase give in his name and pay to the Auctioneer immediately after the conclusion of the auction the total sum due.
9. If the buyer fails to pay for or take away any lot or lots the Auctioneer as agent for the seller shall be entitled after consultation with the seller to exercise one or other of the following rights:
 - i) Rescind the sale of that or any other lots sold to the buyer who defaults and re-sell the lot or lots whereupon the defaulting buyer shall pay to the Auctioneer any shortfall between the proceeds of that sale after deduction of costs of re-sale and the total sum due. Any surplus shall belong to the seller.
 - ii) Proceed with damages for breach of contract.
10. Ownership of the lot purchased shall not pass to the buyer until he has paid to the Auctioneer the total sum due.
11. The seller shall be entitled to place a reserve on any lot and the Auctioneer shall have the right to bid on behalf of the seller for any lot on which a reserve has been placed. A seller may not bid on any lot on which a reserve has been placed.
12. All unsold lots will attract a fee per lot of £10.00 + VAT.
- 12a. Where any lot fails to sell, the Auctioneer shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot.
13. Any representation or statement by the Auctioneer in any catalogue, brochure or advertisement of forthcoming sales as to authorship, attribution, genuineness, origin, date, age, provenance, condition or estimated selling price is a statement of opinion only. Every person interested should exercise and rely on his own judgement as to such matters and neither the Auctioneer nor his servants or agents are responsible for the correctness of such opinions. No warranty whatsoever is given by the Auctioneer or the seller in respect of any lot and any express or implied warranties are hereby excluded.
14. Notwithstanding any other terms of these conditions, if within fourteen days of the sale the Auctioneer has received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within fourteen days after such notification the buyer returns the same to the Auctioneer in the same condition as at the time of the sale and satisfies the Auctioneer that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded and the purchase price of the same refunded. 'A deliberate forgery' means a lot made with intent to deceive.
15. A buyer's claim under the above condition shall be limited to the amount paid to the Auctioneer for the lot and for the purpose of this condition the buyer shall be the person to whom the original invoice was made out by the Auctioneer.
16. Lots may be removed during the sale after full settlement.
17. All goods delivered to the Auctioneer's premises will be deemed to be delivered for sale by auction unless otherwise stated in writing and will be catalogued and sold at the Auctioneer's discretion and accepted by the Auctioneer subject to all these conditions. By delivering the goods to the Auctioneer for inclusion in his auction sales each seller acknowledges that he/she accepts and agrees to all the conditions.
18. The Auctioneer shall remit the proceeds of the sale to the seller no later than forty days after the day of the auction provided that the Auctioneer has received the total sum due from the buyer. In all other cases the Auctioneer will remit the proceeds of sale to the seller within seven days of the receipt by the Auctioneer of the total sum due. The Auctioneer will not be deemed to have received the total sum due until after any cheque delivered by the buyer has been cleared. In the event of the Auctioneer exercising his right to rescind the sale his obligation to the seller hereunder lapses.
19. In the case of the seller withdrawing instructions to the Auctioneer to sell any lot or lots, the Auctioneer may charge a fee of the lot withdrawn and any expenses incurred in respect of the lot or lots.
20. Live telephone bidding
 - i) Live telephone bidding can be arranged (subject to paragraph 20iii) below) by contacting the Auctioneer two days prior to the day of the Auction.
 - ii) Knight's have a mandatory minimum lot estimate of £80.00 on all live calls.
 - iii) The arrangement referred to in paragraph 20i) above will be at the buyer's risk and no guarantee can be given by the Auctioneer that telephone facilities will be available or working on the day of the Auction.
21. These conditions shall be governed by and construed in accordance with English Law.

Two page typed letter from Warner to Waugh attached to inside front cover. 'My Dear Alec, Thank you for your letter of Jan. 19th about Hendren and please forgive my not having answered it before this. There seems to have been a good deal of misunderstanding about Hendren's first appearance. I well remember that he played in that memorable match at Lord's against Lancashire in 1907, when the wicket was ruined. Hendren himself confirms this in reply to a letter from E.L. Roberts, and Wisdens admit that they made a mistake over the years 1907 and 1908, mixing Patsy up with Denis Hendren. Ashley-Cooper is quite correct in "Middlesex County Cricket Club 1900-1920", in which he states that Patsy played a few innings in 1908. Roberts took a lot of trouble ascertaining his facts. and I think you can take it that he is perfectly correct in his article which appears in the Annual. I am anxiously looking forward to Thursday to see the selection of the Australian team. I don't think it can be a very easy job with so many young batsmen knocking at the door. Further, most of their bowlers are very much non batsmen, excepting White who may or may not be chosen; he is a slow left hander like Verity. Will you give my kindest regards to your wife? Yours ever.' Signed in ink 'Plum'. VG. £60/90

CRICKET CERAMICS & METALWARE

- 624 'The Aborigines'. Victorian brass metal embossed belt buckle, depicting an Aboriginal cricketer with a bat over his shoulder to which his cricket boots are hanging. A cricket tent with flag flying to background with floral decorative border and to lower border on raised bar the inscription 'The Aborigines'. Beaded outer border decoration. The oblong belt buckle measures approximately 3"x2.25" To verso on the small belt clasp is a symbol which presumably the makers mark and bordering the marks it appears to read 'Registered Nov 28th 1866 (1868?) S&W'. Either 1866 or 1868, it is very difficult to read. The buckle was found in the back garden of the vendors 1800's built cottage in Warmminster, Wiltshire, the old A36 used to run in front of the house and in the 1940s/50s the road was moved forward so now the old road is for access only, they found the buckle on the inside border of the garden, behind our back garden is fields and is close to the road. The buckle in very good condition considering its history. A rare item

- from this very early tour by the Aboriginal team. £600/900
- The first Australian cricket team to tour England were the Aboriginal team of 1868, comprising entirely of Aborigines they first toured Australia and culminated in Sydney before boarding the ship Paramatta on the 8th February 1868 and sailing for England arriving at Gravesend on the 13th May 1868. Whilst in England they played forty seven matches in twenty two weeks winning fourteen, drawing eighteen and losing fifteen of the matches played. Apart from playing the cricket matches they gave exhibitions of spear and boomerang throwing and other sports. Their matches proved very popular, with 5,000 spectators attending the more important matches. According to Haygarth it was a very lucrative speculation*
- A similar belt buckle, of the same size was sold by Noble of Australia in 1995, this buckle had been found in 1951 on a rabbit shooting expedition near Kitticola gold mine, 55km north east of Adelaide. It sold for 2000 Australian dollars*

The increasing number of runs shows the rise of Grace's success over a ten year period. The belt buckle measure 2.5"x2". Very good condition. An early Grace item. Previously sold as lot 91 in the 'Traditional Sports' sale held by Christies in April 1992. £300/500
