By making any bid the buyer acknowledges that his attention has been drawn to the fact that on the sale of any lot the Auctioneer will receive from the seller commission at its usual rates in addition to the said premium of 20% (plus VAT @ 20%) and assents to the Auctioneer receiving the said commission.

- Rare account of the first tour of England. Belief in the natural superiority of English cricket was shattered by Australia's nine wicket win at Lord's over an M.C.C. club team which included W.G. Grace. 'The tour was ... a tremendous success, and it established in England a healthy respect for Australian cricket, especially in bowling, fielding and wicket-keeping, where Blackham made a big reputation. The only discord arose from the 'removal' of Midwinter and the claim that Grace and others were paid for their services ... The real pity is that there was no Test match' (Moyes, p. 175). It is from Reynolds specifically that we know the Australians wore blue and white caps and scarves, and looked 'uncommonly well' (see Moyes p. 171). Padwick 4968*
